

Australasian College for Emergency Medicine

Application for Emergency Medicine Specialist Assessment

Specialist International Medical Graduate

This form is to be completed by a Specialist International Medical Graduate (SIMG) seeking recognition as an emergency medicine specialist in Australia, or assessment of suitability for an Area of Need (AoN) position in Australia.

The SIMG must have satisfactorily completed postgraduate specialist emergency medicine training and examinations and hold a current qualification that permits employment as an emergency medicine specialist in the country of training.

Certification and verification of documents

Primary Source Verification

Before submitting this application, you must apply for Primary Source Verification (PSV) by the AMC of your primary medical and specialist training qualifications. The AMC will provide you with an Electronic Portfolio of International Credentials (EPIC) number. You must include the EPIC number in this application below.

Statutory Declarations for Certification Purposes

Please refer to the [Australian Health Practitioner Regulation Agency \(AHPRA\)](#) for a list of persons authorised to verify documents. It is important that the witness states in their wording that it is a 'certified true copy'. A sample of acceptable wording is shown below:

This is to certify that this is a true copy of
the original, which I have sighted.

Date:

Name:

Signed:

The name and title of the witness and the date certified must also be included in the certification. Certification should be made on each page of the actual document. If the witness certifies the document on a separate page, the document must be notary bound (stapled copies will not be accepted).

Application Checklist

The following documents are to be submitted together with the completed application form that follows. Please ensure all required documentation is provided. An additional fee will be charged for incomplete applications.

Proof of application to the Australian Medical Council (AMC) for Primary Source Verification (PSV) of primary medical and specialist training qualifications. You must apply for PSV prior to submitting this application.

Certified proof of identity, as required by the [AMC](#). If the name provided on the application form differs from that on any of the provided documentation, please provide certified copies of evidence of name change(s).

Curriculum Vitae, using the [College form](#); signed and dated; only typed text will be accepted.

Copies of primary medical qualification(s) and specialist emergency medicine training qualification(s).

Certified copies of current Fellowship membership certificate(s) from specialist medical organisation(s)/institution(s).

Certified copies of certificates of completion of internship, residency and/or other specialist training programs from emergency medicine specialist training institution(s)/medical organisation(s).

Details of emergency medicine specialist employment including level of appointment, clinical responsibility, specific hospital description: size, location, case-mix.

Completed research items: conference presentations; published articles; Masters or PhD thesis; academic university course work.

Evidence of participation in an emergency medicine continuing professional development (CPD) program, including details of the CPD program in which you are currently enrolled and your annual CPD requirements.

Specialist registration—to be received directly from the registration authority responsible for your most recent two-year period of emergency medicine practice, or be a certified copy dated within six months of the application.

Certificate(s) of good standing—to be received directly from the registration authority responsible for your most recent two-year period of emergency medicine practice and be dated within six months of the application.

Evidence of recent satisfactory completion of an English language proficiency examination (see below).

Name, position and contact details of three specialist medical referees who have worked with you within the past two years

The curriculum details and complete transcript(s) of the emergency medicine specialist training program(s), including:

Specialist training program structure:

- Duration, examinations, procedural details/transcripts, logbooks
- Associated supervisors' reports (if applicable)
- Completed research (if applicable)

Certificates and details of completed specialist examinations

- Number and type of examination (written, oral, clinical, other)
- Subject areas of each examination

Application for Emergency Medicine Specialist Assessment Specialist International Medical Graduate

An application for assessment will lapse if payment or any required documentation or other information remain outstanding after six months from the date of receipt. Assessment will then require a new application and associated fee.

Additional Documents for Area of Need Position

The following documents are to be submitted for an Area of Need (AoN) Position Assessment:

- AoN declaration—issued by the State/Territory Health Department where the AoN position is based
- Position description
- AoN position employment letter of offer or contract
- Employer contact details (see AoN section of application)

Evidence of English Language Proficiency

The College accepts English language proficiency results from International English Language Testing System (IELTS), Occupational English Test (OET), Professional and Linguistic Assessment Board (PLAB), at a standard that is currently acceptable by the MBA. The English Language Skills Registration Standard is available on the [MBA website](#). The results must be from the last two years immediately prior to your application. If your secondary schooling and specialist training was taught and assessed in English you may be eligible for an exemption from this requirement. Please provide appropriate evidence of this to the College for assessment. While the College bases its exemption criteria on that of the MBA, please be aware that a College-granted exemption will only apply to the College processes and is not indicative of MBA requirements.

Application submission

To apply for Specialist International Medical Graduate (SIMG) Assessment, you must submit your application electronically. Hard copy applications cannot be accepted.

Your completed Application Form must be emailed to the College at simg@acem.org.au.

All supporting documentation may then be submitted by uploading your documents to a secure folder. A link to the secure folder will be emailed to you after your application has been received. Please allow 1 to 2 working days for this.
