FOR EMERGENCY MEDICINE

ACEM Accredited Emergency Medicine Training Networks

An Emergency Medicine Training Network (EMTN) is a group of hospitals that have formally agreed to a coordinated education and training program for Emergency Medicine trainees.

Each hospital within the EMTN is accredited by ACEM for 6, 12, 18 or 24 months ED Training. This list outlines each ED's training Role Delineation and whether the ED is approved for the minimum paediatric requirement (PLB) within an EMTN.

Other abbreviations: DEMENT = Director of Emergency Medicine Training PLB = Paediatric Logbook

PEM = Paediatric Emergency Medicine
