D1 Not Used (Regulations Obsolete)

D2 Not Used (Regulations Obsolete)

D3 Emergency Medicine Certificate (EMC) Training Program

D3.1 Eligibility for the Emergency Medicine Certificate Training Program

- D3.1.1 To be eligible to enrol as a trainee in the ACEM Emergency Medicine Certificate (EMC) Training Program, medical practitioners must hold appropriate registration with the relevant regulatory body as applicable for the jurisdiction in which they are intending to train.
- D3.1.2 To be eligible to enrol in the EMC Training Program, medical practitioners must:
- (a) be in their second or subsequent postgraduate year; and
 - (b) not be enrolled in the FACEM Training Program, AEM (Intermediate) Training Program, AEM (Advanced) Training Program, or Associateship in Pre-hospital and Retrieval Medicine (A(PHRM)) Training Program or be an ACEM SIMG undertaking a pathway to Fellowship of the College through the processes of the Medical Board of Australia (MBA) or the Medical Council of New Zealand (MCNZ).

D3.2 Enrolment as a Trainee

- D3.2.1 Applications to enrol in the EMC Training Program must be made using the prescribed application form and include all required documentation as specified on that form, together with payment of the applicable fee.
- D3.2.2 Former EMC, EMD or EMAD trainees of the College who wish to re-enrol as a trainee in the EMC Training Program must do so pursuant to the provisions of the *Policy on Former EMC, EMD and EMAD Trainees Re-entering the EMC, EMD and EMAD Training Programs*.

D3.3 Medical Registration

- D3.3.1 Except as specified elsewhere in these Regulations, at the time of enrolment and at all times while undertaking the EMC Training Program, trainees are required to hold:
- (a) General, specialist-only, provisional or limited registration with the MBA – for trainees in Australia;
 - (b) General or provisional scope registration with the MCNZ – for trainees in New Zealand; or
 - (c) appropriate registration with the relevant regulatory body as applicable for the jurisdiction in which they will be undertaking the EMC Training Program.
- D3.3.2 Applicants that hold specialist-only registration must provide the College with a copy of an offer of employment for their first supervised training placement in an Adult or Mixed Emergency Department at the time of enrolment in the EMC Training Program.
- D3.3.3 Trainees enrolled in the EMC Training Program in Australia or New Zealand and who undertake a temporary absence from medical practice (e.g. maternity or parental leave) may, for the purposes of Regulation D3.3.1, hold non-practising registration with the MBA or the MCNZ as applicable for the duration of that absence from medical practice.
- Corresponding exceptions to the need to hold appropriate registration with the relevant regulatory authority pursuant to Regulation D3.3.1 apply to those undertaking the EMC Training Program in countries other than Australia or New Zealand and who undertake a temporary absence from medical practice.
- D3.3.4 Trainees are required to notify the College within five (5) working days if their medical registration with the MBA, MCNZ or other authority as applicable expires; or within five (5) working days of the date of notification if, for any reason, their medical registration is withdrawn, suspended or conditions are imposed, or if they receive notice of any complaint to any medical registration authority.
- D3.3.5 Trainees who, for whatever reason, fail to maintain registration with the MBA or the MCNZ as applicable pursuant to this regulation, Regulation D3.3, and whose registration is not otherwise suspended, terminated, cancelled or has a condition(s) applied that restricts their ability to undertake fully the requirements of the EMC Training Program, by a regulatory body empowered to do so, shall be unable to attempt College assessments or have any training time certified for a maximum period of three (3) calendar months from

Regulation D

Australasian College for Emergency Medicine

the date on which their registration lapsed. Should registration with the MBA or MCNZ not be regained by the end of that three (3) month period, the trainee will be automatically removed from the EMC Training Program.

D3.4 Training Program Fees

- D3.4.1 Except as provided for elsewhere in these regulations, all EMC Training Program trainees, regardless of whether training full-time or part-time, must pay the full EMC Training Program fee at the time of enrolling in the program.
- D3.4.2 EMC trainees will not be eligible to attempt College assessments and will not have their training time considered for certification nor be deemed to have completed the requirements of the EMC program while the training fee or any other amounts owing to the College remain unpaid.

D3.5 Satisfactory Completion of the EMC Training Program

- D3.5.1 Trainees who successfully complete the EMC Training Program will have satisfactorily completed the following requirements within two (2) years of the date of commencement of training:
- D3.5.1.1 six (6) FTE months of supervised ED training;
 - D3.5.1.2 online learning modules and associated completion requirements as prescribed (refer Regulation D3.8);
 - D3.5.1.3 Workplace-based Assessments (WBAs) as prescribed (refer Regulation D3.9)
 - D3.5.1.4 Emergency Skills workshop(s) as prescribed (refer Regulation D3.10):
 - D3.5.1.5 meetings and associated completion requirement as prescribed (refer Regulation D3.11):
 - D3.5.1.6 the EMC Examination;
 - D3.5.1.7 the completion of the EMCD Graduate Survey (Part One); and
 - D3.5.1.8 any other requirements or variations to the above as prescribed from time to time.

D3.6 Timeframe for Completion of the EMC Training Program

- D3.6.1 Enrolment as a trainee commences in accordance with Regulation D3.2 and continues until the trainee satisfactorily completes the requirements of the EMC and is eligible to become a Certificant of the College, formally withdraws from the EMC Training Program or is removed from the EMC Training Program.
- D3.6.2 Except as provided for elsewhere in these Regulations, trainees must complete all requirements of the EMC Training Program and be eligible for election to membership of the College as a Certificant within two (2) calendar years of the date of enrolment as a trainee. This two-year period is inclusive of all leave taken, and any periods of interrupted training.

D3.7 EMC Training

D3.7.1 Training Requirements

- D3.7.1.1 Trainees must complete six (6) FTE months of supervised training in an Adult or Mixed Emergency Department(s).
- D3.7.1.2 For the purposes of Regulation D3.7.1.1, ACEM regards a 1.0 FTE load to comprise a minimum of 38 hours per week.
- D3.7.1.3 Cognisant of Regulation D3.6.1, training may be undertaken on either a full-time or a part-time basis, as the trainee may choose. Any changes to a trainee's FTE status must be notified to the College.
- D3.7.1.4 Training may be undertaken in blocks of not less than six (6) FTE weeks. Trainees who complete the required six (6) FTE months of training in blocks of training must also remain within the maximum limits allowed for completion of all requirements of the EMC Training Program.

Regulation D

Australasian College for Emergency Medicine

D3.71.5 Of the six (6) FTE months of supervised training referred to in Regulation D3.71.1, trainees must satisfactorily complete at least 80% of their time in an Adult of Mixed emergency department(s), with the remaining 20% permitted to be spent in other discipline related emergency department(s) to the satisfaction of the EMCD Committee, including but not limited to a Paediatric or Eye and Ear emergency department.

D3.7.2 Part-Time Training

D3.7.2.1 Part-time training must meet minimum placement duration requirements and be undertaken at a minimum of 0.25 FTE. Part-time training of less than 0.25 FTE will not be considered for certification.

D3.7.2.2 Trainees who train part-time must also remain within the maximum limits allowed for completion of all requirements of the EMC Training Program as a whole.

D3.7.3 Leave from Training

D3.7.3.1 (a) Trainees training full-time are permitted up to three (3) weeks' leave per six (6) FTE month training period.

(b) Trainees may take additional period(s) of leave from training over that outlined in Regulation D3.7.3.1(a) where that leave is for the purpose of parental leave.

D3.7.3.2 Where the length of any individual placement meets minimum training requirements, trainees training part-time have pro-rata leave entitlements.

D3.7.3.3 Periods of leave greater than that permitted under Regulation D3.7.3.1(a) require the prospective approval of the College. Any such application must be submitted using the applicable form and received by the College not less than two (2) weeks prior to the date of commencement of the proposed period of leave.

D3.7.3.4 Trainees who seek to take leave from training for the purposes of parental leave are required to provide documentation to the satisfaction of the College that clearly sets out the dates of their parental leave and will have their training program due date extended by the duration of the parental leave taken.

D3.7.4 Supervision of Training

D3.7.4.1 Each trainee shall have a 'Primary Supervisor' who is responsible for the oversight of that trainee's progression through the EMC Training Program. The Primary Supervisor must:

- be a Fellow of the Australasian College for Emergency Medicine (FACEM), working at a minimum of 0.5 FTE in the emergency department at the same health service and, where applicable, site as the trainee and who is compliant with the requirements of the ACEM CPD Program; **or**
- be an ACEM Associate (Advanced) or Advanced Diplomate member with a minimum of two (2) FTE years ED experience post EMAD qualification, working at a minimum of 0.5 FTE in the emergency department at the same health service and, where applicable, site as the trainee and who is compliant with the requirements of the ACEM CPD Program; **or**
- be an ACEM Associate (Intermediate) or Diplomate member with a minimum of two (2) FTE years ED experience post EMD qualification, working at a minimum of 0.5 FTE in the emergency department at the same health service and, where applicable, site as the trainee and is compliant with the requirements of the ACEM CPD Program; **and**
- have satisfactorily completed the ACEM EMCD Supervisor Course or have attended an ACEM DENT or Local WBA Coordinator Orientation or FACEM Assessor Workshop.

D3.7.4.2 Not less than 30 percent of a trainee's EMC training must occur under the direct clinical supervision of an ACEM member who may or may not be the trainee's Primary Supervisor. A Direct Clinical Supervisor must be:

- a FACEM; or
- a currently certified Associate (Intermediate) or Diplomate member of the Australasian College for Emergency Medicine (Dip EM (ACEM)) who has satisfactorily completed the ACEM EMCD Supervisor Course; or

Regulation D

Australasian College for Emergency Medicine

- a currently certified Associate (Advanced) or Advanced Diplomate member of the Australasian College for Emergency Medicine who has satisfactorily completed the ACEM EMCD Supervisor Course.

D3.7.5 Training Sites

D3.7.5.1 EMC training may be undertaken in an emergency department with the following minimum staffing:

- (a) one (1) Fellow of the College (i.e. FACEM) who works 1.0 FTE in the department, or the equivalent, where at least one (1) FACEM has met the requirements to be a Primary Supervisor as outlined in D3.7.4.1; or
- (b) one (1) Associate (Intermediate), Diplomate member, Associate (Advanced), or Advanced Diplomate member of the College who works 0.5 FTE in the emergency department and one (1) FACEM who works not less than 0.5 FTE in the emergency department, both of whom meet the requirements to be a Primary Supervisor as outlined in D3.7.4.1; or
- (c) where a site does not otherwise meet the minimum staffing requirements outlined in regulation D3.7.1.5 (a) or (b), a prospective EMC trainee or EMC training site will need to demonstrate, to the satisfaction of the College, appropriate arrangements to enable them to receive the supervision required pursuant to Regulation D3.7.4. Such supervision must include at least two (2) weeks (FTE) of contact time, working or observing with a FACEM at a site that meets the requirements of Regulation D3.7.5.1 (a).

D3.7.6 Removal from the EMC Training Program

D3.7.6.1 Unless the Emergency Medicine Certificate and Emergency Medicine Diploma (EMCD) Committee accepts that exceptional circumstances exist, a trainee shall be considered for removal from the EMC Training Program if they:

- (a) fail to complete the requirements of the EMC Training Program within the timeframe specified in these Regulations or their circumstances in the training program become such that they reach a point where it is not possible under these regulations for the requirements to be completed within the specified timeframe;
- (b) do not pass the EMC Examination within the maximum three (3) attempts;
- (c) fail to maintain medical registration in accordance with Regulation D3.3;
- (d) engage in conduct contrary or derogatory to or inconsistent with the principles, ethics, dignity, standards or purposes of the College, in which case the matter shall be dealt with by the Board.

D3.7.6.2 A trainee who fails to pay any applicable fee(s) by the date on which they are due and/or any associated late payment fees or portions thereof remain outstanding within three (3) months of the date on which the original fee was due will be dismissed from the EMC Training Program without further notice.

D3.7.6.3 A trainee who has their medical registration terminated or cancelled by a regulatory body empowered to do so, or whose registration is subject to any condition or undertaking that prevents them from practicing medicine shall automatically be removed from the EMC Training Program. Any removal from the EMC Training Program pursuant to this regulation shall not be subject to reconsideration, review or appeal under College processes.

D3.7.6.4 At least 28 days prior to the meeting of the EMCD Committee at which a trainee is to be considered for removal from the EMC Training Program, they will be informed in writing and advised:

- of the ground(s) on which they may be removed from the EMC Training Program;
- the date on which their removal from the EMC Training Program is to be considered;
- that they are entitled to provide a written submission for consideration of any exceptional circumstances (as described in the College's *Exceptional Circumstances and Special Consideration Policy*), but that they are not entitled to attend in person or through a representative;

- that any information they wish to have considered by the EMCD Committee should be provided in writing to the College not less than 14 days prior to the meeting at which their removal from the EMC Training Program is to be considered.

D3.7.6.5 The EMCD Committee may make one of the following decisions:

- (a) That, on the basis of the materials presented to it, the trainee be permitted to remain in the EMC Training Program and the revised timeframe in which they are required to complete the requirements of this pathway.
- (b) That, on the basis of the materials presented to it, the trainee be removed from the EMC Training Program.

D3.7.7 Suspension from Training

D3.7.7.1 Unless the Board or Council of Education, in their absolute discretion, resolve otherwise, a trainee whose medical registration is suspended for any reason, or has conditions applied that restricts their ability to undertake fully the requirements of the EMC Training Program, or who fail, for whatever reason, to maintain registration with the MBA, MCNZ or other relevant regulatory body as applicable, shall automatically be suspended from the EMC Training Program, and shall not:

- (a) be entitled to undertake any assessment associated with the EMC Training Program;
- (b) be entitled to accrue or be credited with any training undertaken during the period of suspension from the EMC Training Program;
- (c) hold themselves to be a trainee of the EMC Training Program; or
- (d) be entitled to any benefits or entitlements under the EMC Training Program.

D3.7.7.2 Pursuant to the provisions of Regulation D6 and upon an application by the trainee, the Board, Council of Education or a Committee convened for such purpose may determine to lift a trainee's suspension from the EMC Training Program with or without the payment of a further fee and subject to any conditions imposed by the Board, Council of Education or Committee, as applicable.

D3.7.7.3 The length of any suspension pursuant to this regulation shall not affect the timeframes for completion of the EMC Training Program as outlined elsewhere in these regulations and that period of suspension shall not, unless the Board, Council of Education or Committee determines otherwise, be considered as an interruption to training.

D3.8 Online Learning Modules

D3.8.1 Trainees are required to complete the following online learning modules:

- the ACEM Indigenous Health and Cultural Competency; online learning modules as from time to time updated by the College;

D3.9 Workplace-based Assessments

D3.9.1 EMC trainees are required to satisfactorily complete the following Workplace-based Assessments (WBAs):

- five (5) Mini-Clinical Evaluation Exercise (Mini-CEX)*;
- six (6) Direct Observation of Procedural Skills (DOPS)#;
- two (2) Case-Based Discussion (CBD); and
- Procedural Checklist^.

* Refer Mini-CEX requirements as set out in Emergency Medicine Certificate Curricula

Refer DOPS requirements as set out in Emergency Medicine Certificate Curricula

^ Refer Procedural Checklist as set out in Emergency Medicine Certificate Curricula

D3.9.2 Mini-CEX and CbD WBAs must be assessed by a FACEM, the Primary Supervisor or a Direct Clinical Supervisor.

D3.9.3 DOPS must be assessed by a FACEM, the Primary Supervisor, a Direct Clinical Supervisor, or a registered specialist medical practitioner whose area of specialty relates to the applicable area of clinical practice. In the case of the latter the trainee's Primary Supervisor must approve the completed assessment.

Regulation D

Australasian College for Emergency Medicine

- D3.9.4 Individual procedures on the Procedural Checklist must be signed-off by a FACEM, the Primary Supervisor, a Direct Clinical Supervisor, or a registered specialist medical practitioner whose area of specialty relates to the applicable area of clinical practice. The Primary Supervisor must approve the completed procedural checklist.
- D3.9.5 Start of Placement Meeting, Reflection Meetings, DOPS (suture wounds, UL and LL plaster, and C-spine log roll) and CbD may be completed by real-time video conference with patient consent, assurance of confidentiality and at the discretion of the supervisor.

D3.10 Emergency Skills Workshops

- D3.10.1 Trainees are required to satisfactorily complete the Advanced Life Support 2 (ALS2) workshop, or equivalent for trainees based in New Zealand or outside of Australasia, or attain exemption from this requirement.
- D3.10.2 Workshop Exemption
- D3.10.1.1 Trainees seeking an exemption under Regulation D3.10.1 must provide documented evidence confirming their attendance and completion of the applicable workshop(s).
- D3.10.1.2 An exemption will only be granted if the workshop(s) certification, as evidenced on the certificate of completion, is current or, where no period is specified, if the workshop(s) was completed in the five (5) years prior to commencing the EMC Training Program.
- D3.10.3 Trainees must present original certificates, including those received by electronic correspondence, as evidence of workshop completion, to the College.

D3.11 Required Meetings

- D3.11.1 Trainees are required to complete a Start of Placement Meeting with their Primary Supervisor and submit the required form to the College within the first two (2) weeks of each individual placement to ascertain learning needs, goals, potential challenges and strategies.
- D3.11.2 Trainees are required to complete a Reflection Meeting with their Primary Supervisor and submit the required form to the College at the end of each three-calendar month period while undertaking supervised training.
- D3.11.3 Where a trainee fails to submit the relevant forms by the required deadline(s) the relevant placement may not be certified towards meeting their training time requirements.

D3.12 EMC Examination

D3.12.1 Eligibility

- D3.12.1.1 To be eligible to sit the EMC Examination, trainees must have successfully completed a minimum of four (4) FTE months of supervised training pursuant to regulation D3.7.1.1.
- D3.12.1.2 The candidate must also:
- be a registered EMC, EMD or EMAD trainee of the College; and
 - have no financial debts to the College.
- D3.12.1.3 Subject to continuing to meet all eligibility requirements, candidates who are unsuccessful in an attempt at the EMC Examination are able to apply to sit the next scheduled examination.

D3.12.2 Examination Applications

- D3.12.2.1 Applications to attempt the EMC Examination must be made on the appropriate prescribed form and must be accompanied by:
- payment of the prescribed examination fee, if applicable, and
 - any other documentation specified on the application form.
- D3.12.2.2 Candidates are required to submit a new application for each attempt they make at the EMC Examination.

Regulation D

Australasian College for Emergency Medicine

D3.12.2.3 Applications must reach the College by close of business on the date specified on the application form for the relevant examination. If the closing date falls on a public holiday, applications must reach the College by close of business on the previous work day.

D3.12.3 Examination Arrangements

D3.12.3.1 The EMC Examination is held three (3) times per year on dates specified by the College and must be sat at the candidate's training hospital under supervision arrangements approved by the College.

D3.12.3.2 The College reserves the right to approve or reject any proposed invigilator(s) for candidates in the examination.

D3.12.4 Examination Attempts

D3.12.4.1 The maximum number of attempts at the EMC Examination will be three (3).

D3.12.5 Withdrawal

D3.12.5.1 Candidates withdrawing from the EMC Examination must notify the College in writing on the prescribed form. Verbal notification will not be accepted.

D3.12.6 Exclusion from Examinations

D3.12.6.1 Candidates who login 30 minutes or more after the scheduled starting time of the EMC Examination will be excluded from the examination.

D3.13 Certification and Certification Fee

D3.13.1 To be eligible to apply for election to membership of the College as a Certificant, trainees must have satisfactorily completed the requirements of Regulation D3.5.

D3.13.2 It is the responsibility of the trainee to submit an application for certification to the College.

D3.13.3 An application for certification must be made using the appropriate form, together with payment of the required certification fee. Applications for Certification will not be progressed until the application fee has been processed.

D3.13.4 Following approval by the Council of Education, the trainee will then be listed on the Register of Certificants.

D3.14 Recertification and Annual Subscription Fees

Refer to Regulation E2.

D4 Associateship in Intermediate Emergency Medicine Training Program

D4.1 Eligibility for the Associateship in Intermediate Emergency Medicine Training Program

D4.1.1 To be eligible to enrol as a trainee in the ACEM Associateship in Intermediate Emergency Medicine (AEM (Intermediate)) Training Program, medical practitioners must hold appropriate registration with the relevant regulatory body as applicable for the jurisdiction in which they are intending to train.

D4.1.2 To be eligible to enrol in the AEM (Intermediate) Training Program, medical practitioners must, at the time of application meet at least one of the following:

- D4.1.2.1
- (a) have successfully completed the ACEM Emergency Medicine Certificate (EMC);
 - (b) have successfully completed the RACGP Advanced Rural Skills Training (ARST) in Emergency Medicine;
 - (c) have successfully completed the ACRRM Advanced Specialised Training (AST) in Emergency Medicine;
 - (d) be a Fellow of the Royal Australian College of General Practitioners (RACGP);
 - (e) be a Fellow of the Royal New Zealand College of General Practitioners (RNZCGP);
 - (f) be a Fellow of the Australian College of Rural and Remote Medicine (ACRRM);
 - (g) be a Fellow of the Royal New Zealand College of Urgent Care (RNZCUC);
 - (h) be a Fellow of the Division of Rural Hospital Medicine of New Zealand (DRHMNZ);
 - (i) within the last five (5) years, have worked at least two (2) FTE years in an Emergency Department, of which at least three (3) months was undertaken in Australia or New Zealand;

D4.1.2.1.1 Medical practitioners applying under D4.1.2.1 (d), (e), (f), (g), (h) or (i) must also:

- (a) provide evidence, signed by a FACEM or ACEM Associate (Advanced), or Advanced Diplomate member with whom they have worked (either directly or within a network) in the last three (3) years, of completion during that period, whether by clinical practice or simulation, of at least 80% of the procedures listed in the EMC Procedural Checklist, including all mandatory procedures; and
- (b) provide evidence of a current Advanced Life Support 2 (ALS2) certificate or equivalent for trainees based in New Zealand; and
- (c) provide proof of currency of clinical practice; and
- (d) provide evidence, signed by a FACEM, ACEM Associate (Advanced), or Advanced Diplomate member with whom they have worked (either directly or within a network) in the last three years, of the applicant's knowledge of the EMC Curriculum. The endorsee must be reasonably satisfied that the applicant has the skills and knowledge applicable to the curriculum of all three units of the EMC; and
- (e) all other information specified by the College on the application form.

D4.1.2.2 be in their second or subsequent postgraduate year.

D4.2 Enrolment as a Trainee

D4.2.1 Applications to enrol in the AEM (Intermediate) Training Program must be made using the prescribed application form and include all required documentation as specified on that form, together with payment of the applicable fee.

D4.2.2 Former EMC, EMD or EMAD trainees of the College who wish to re-enrol as a trainee in the AEM (Intermediate) Training Program must do so pursuant to the provisions of the *Policy on Former EMC, EMD and EMAD Trainees Re-entering the Associate Training Programs*.

D4.2.3 To be eligible to commence the AEM (Intermediate), medical practitioners must not be enrolled in the FACEM Training Program, EMC Training Program, AEM (Advanced) Training Program, or Associateship in Pre-hospital and Retrieval Medicine (A(PHRM)) Training Program or be an ACEM SIMG undertaking a pathway to Fellowship of the College through the processes of the Medical Board of Australia (MBA) or the Medical Council of New Zealand (MCNZ).

D4.3 Medical Registration

D4.3.1 Except as specified elsewhere in these Regulations, at the time of enrolment and at all times while undertaking the AEM (Intermediate) Training Program, trainees are required to hold:

- (a) General or specialist-only registration with the MBA – for trainees in Australia;
- (b) General scope registration with the MCNZ – for trainees in New Zealand; or
- (c) the appropriate registration with the relevant regulatory body as applicable for the jurisdiction in which they will be undertaking the AEM (Intermediate) Training Program.

D4.3.2 Applicants that hold specialist-only registration must provide the College with a copy of an offer of employment for their first supervised training placement in an Adult or Mixed Emergency Department at the time of enrolment in the AEM (Intermediate) Training Program.

D4.3.3 Trainees enrolled in the AEM (Intermediate) Training Program and who undertake a temporary absence from medical practice (e.g. maternity or parental leave) may, for the purposes of Regulation D4.3.1, hold non-practising registration with the MBA or the MCNZ as applicable for the duration of that absence from medical practice.

Corresponding exceptions to the need to hold appropriate registration with the relevant regulatory authority pursuant to Regulation D4.3.1 apply to those undertaking AEM (Intermediate) training in countries other than Australia or New Zealand and who undertake a temporary absence from medical practice.

D4.3.4 Trainees are required to notify the College within five (5) working days if their medical registration with the MBA, MCNZ or other authority as applicable expires; or within five (5) working days of the date of notification if, for any reason, their medical registration is withdrawn, suspended or conditions are imposed, or if they receive notice of any complaint to any medical registration authority.

D4.3.5 Trainees who, for whatever reason, fail to maintain registration with the MBA or the MCNZ as applicable pursuant to this regulation, Regulation D4.3, and whose registration is not otherwise suspended, terminated, cancelled or has a condition(s) applied that restricts their ability to undertake fully the requirements of the AEM (Intermediate) Training Program, by a regulatory body empowered to do so, shall be unable to attempt College assessments or have any training time certified for a maximum period of three (3) calendar months from the date on which their registration lapsed. Should registration with the MBA or MCNZ not be regained by the end of that three (3) month period, the trainee will be automatically removed from the EMC Training Program.

D4.4 Training Program Fees

D4.4.1 Except with the prior approval of the College, AEM (Intermediate) Training Program trainees, regardless of whether training full-time or part-time, must pay the full AEM (Intermediate) Training Program fee at the time of enrolling in the program.

D4.4.2 AEM (Intermediate) trainees may apply to the College to pay the AEM (Intermediate) Training Program fee by instalments.

D4.4.3 AEM (Intermediate) trainees will not be eligible to attempt College assessments and will not have their training time considered for certification nor be deemed to have completed the requirements of the AEM (Intermediate) program while the training program fee or any other amounts owing to the College remain unpaid.

D4.5 Satisfactory Completion of the AEM (Intermediate) Training Program

D4.5.1 Except as specified elsewhere in these Regulations, trainees who successfully complete the AEM (Intermediate) Training Program will have satisfactorily completed the following requirements:

- D4.5.1.1 all requirements of the EMC Training Program as set out in regulation D3.5.1, and
- D4.5.1.2 six (6) FTE months of supervised training in an Emergency Department;
- D4.5.1.3 online learning modules and associated completion requirements as prescribed (refer Regulation D4.8):
- D4.5.1.4 Workplace-based Assessments (WBAs) as prescribed (refer Regulation D4.9):
- D4.5.1.5 certification in prescribed workshops (refer Regulation D4.10):
- D4.5.1.6 meetings and associated completion requirement as prescribed (refer Regulation D4.11):
- D4.5.1.7 the AEM (Intermediate) Examination;
- D4.5.1.8 the completion of the EMCA Graduate Survey (Part One); and
- D4.5.1.9 any other requirements or variations of the above as prescribed from time to time.

D4.5.2 Trainees who enter the AEM (Intermediate) Training Program pursuant to Regulation D4.1.2.1 are exempt from the requirement to complete the requirements of Regulation D4.5.1.1.

D4.6 Timeframe for Completion of the AEM (Intermediate) Training Program

- D4.6.1 Enrolment as a trainee commences in accordance with Regulation D4.2 and continues until the trainee satisfactorily completes the requirements of the AEM (Intermediate) and is eligible to become an Associate (Intermediate), formally withdraws from the AEM (Intermediate) Training Program or is removed from the AEM (Intermediate) Training Program.
- D4.6.2 Except as provided for elsewhere in these Regulations, trainees entering the AEM (Intermediate) Training program pursuant to regulation D4.1.2.1 must complete all requirements of the program and be eligible for election to membership of the College as an Associate within two (2) calendar years of the date of enrolment as a trainee. This two-year period is inclusive of all leave taken and any periods of interrupted training.
- D4.6.3 Except as provided for elsewhere in these Regulations, trainees entering the AEM (Intermediate) Training program pursuant to regulation D4.1.2.2 must complete all requirements of the program and be eligible for election to membership of the College as an Associate within four (4) years of the date of enrolment as a trainee. This four-year period is inclusive of all leave taken and any periods of interrupted training.

D4.7 AEM (Intermediate) Training

D4.7.1 Training Time Requirements

- D4.7.1.1 Trainees must complete six (6) FTE months of supervised training in an Adult or Mixed Emergency Department(s).
- D4.7.1.2 For the purposes of Regulation D4.7.1.1, ACEM regards a 1.0 FTE load to comprise a minimum of 38 hours per week.
- D4.7.1.3 Cognisant of Regulation D4.6, training may be undertaken on either a full-time or a part-time basis, as the trainee may choose. Any changes to a trainee's FTE status must be notified to the College.
- D4.7.1.4 Training may be undertaken in blocks of not less than six (6) FTE weeks. Trainees who complete the required months of training in blocks of training must also remain within the maximum limits allowed for completion of all requirements of the AEM (Intermediate) Training Program.
- D4.7.1.5 To be eligible to have a placement certified, trainees must satisfactorily complete at least 80% of their time in that placement in an Adult or Mixed Emergency Department(s), with the remaining 20% permitted to be spent in approved theatre, intensive care unit or anaesthetics setting(s) or other discipline related emergency department(s) to the satisfaction of the EMCD Committee, including but not limited to a Paediatric or Eye and Ear Emergency Department.

Regulation D

Australasian College for Emergency Medicine

D4.7.2 Part-Time Training

D4.7.2.1 Part-time training must meet minimum placement duration requirements and be undertaken at a minimum of 0.25 FTE. Part-time training of less than 0.25 FTE will not be considered for certification.

D4.7.2.2 Trainees who train part-time must also remain within the maximum limits allowed for completion of all requirements of the AEM (Intermediate) Training Program as a whole and as applicable to their circumstances.

D4.7.3 Leave from Training

D4.7.3.1 (a) Trainees training full-time are permitted up to three (3) weeks' leave per six (6) FTE month training period.

(b) Trainees may take additional period(s) of leave from training over that outlined in Regulation D4.7.3.1(a) where that leave is for the purpose of parental leave.

D4.7.3.2 Where the length of any individual placement meets minimum training requirements, trainees training part-time have pro-rata leave entitlements.

D4.7.3.3 Periods of leave greater than that permitted under Regulation D4.7.3.1(a) require the prospective approval of the College. Any such application must be submitted using the applicable form and received by the College not less than two (2) weeks prior to the date of commencement of the proposed period of leave.

D4.7.3.4 Trainees who seek to take leave from training for the purposes of parental leave are required to provide documentation to the satisfaction of the College that clearly sets out the dates of their parental leave and will have their training program due date extended by the duration of the parental leave taken.

D4.7.4 Supervision of Training

D4.7.4.1 Each trainee shall have a 'Primary Supervisor' who is responsible for the oversight of that trainee's progression through the AEM (Intermediate) Training Program. The Primary Supervisor must:

- be a Fellow of the Australasian College for Emergency Medicine (FACEM); working at a minimum of 0.5 FTE in the emergency department at the same health service and, where applicable, site as the trainee and who is compliant with the requirements of the ACEM CPD Program; **or**
- be an ACEM Associate (Advanced) or Advanced Diplomate member with a minimum of two (2) FTE years post-qualification ED experience, working at a minimum of 0.5 FTE in the emergency department at the same health service and, where applicable, site as the trainee and is compliant with the requirements of the ACEM CPD Program; **and**
- have satisfactorily completed the ACEM EMCD Supervisor Course or have attended an ACEM DENT or Local WBA Coordinator Orientation or FACEM Assessor Workshop.

D4.7.4.2 Not less than 30 per cent of training must occur under the direct clinical supervision of an ACEM Member who may or may not be the trainee's Primary Supervisor. A Direct Clinical Supervisor must be:

- a FACEM; or
- a currently certified Associate (Advanced) or Advanced Diplomate member of the Australasian College for Emergency Medicine (AAECM(Advanced); Dip EM Adv (ACEM)) who has satisfactorily completed the ACEM EMCD Supervisor Course; or
- a currently certified Associate (Intermediate) or Diplomate member of the Australasian College for Emergency Medicine (Dip EM (ACEM)) who has satisfactorily completed the ACEM EMCD Supervisor Course.

D4.7.5 Training Sites

D4.7.5.1 AEM (Intermediate) training may be undertaken in an emergency department with the following minimum staffing:

Regulation D

Australasian College for Emergency Medicine

- (a) one (1) Fellow of the College (i.e. FACEM), who works 1.0 FTE in the department, or the equivalent, where at least one (1) FACEM meets the requirements to be a Primary Supervisor as outlined in D4.7.4.1; or
- (b) one (1) Associate (Advanced) or Advanced Diplomate member of the College who works 0.5 FTE in the Emergency Department and one (1) FACEM who works not less than 0.5 FTE in the Emergency Department, both of whom meet the requirements to be a Primary Supervisor as outlined in D4.7.4.1; or
- (c) where a site does not otherwise meet the minimum staffing requirements outlined in Regulation D4.7.5.1 (a) or (b), a prospective AEM (Intermediate) trainee or training site will need to demonstrate to the satisfaction of the College, appropriate arrangements to enable them to receive the supervision required pursuant to Regulation D4.7.4. Such supervision must include at least four (4) FTE weeks of contact time working at a multi-FACEM (i.e. not less than 2.5 FTE FACEM) site where at least one (1) FACEM meets the requirements to be a Primary Supervisor as outlined in D4.7.4.1.

D4.7.6 Removal from the AEM (Intermediate). Training Program

D4.7.6.1 Unless the Emergency Medicine Certificate and Emergency Medicine Diploma (EMCD) Committee accepts that exceptional circumstances exist, a trainee shall be considered for removal from the EMD Training Program if they:

- (a) fail to complete the requirements of the AEM (Intermediate) Training Program within the timeframe specified in these Regulations or their circumstances in the training program become such that they reach a point where it is not possible under these regulations for the requirements to be completed within the specified timeframe;
- (b) do not pass the AEM (Intermediate) Examination within the maximum three (3) attempts;
- (c) fail to maintain medical registration in Australia or New Zealand in accordance with Regulation D4.3;
- (d) engage in conduct contrary or derogatory to or inconsistent with the principles, ethics, dignity, standards or purposes of the College, in which case the matter shall be dealt with by the Board.

D4.7.6.2 A trainee who fails to pay any applicable fee(s) by the date on which they are due and/or any associated late payment fees or portions thereof remain outstanding within three (3) months of the date on which the original fee was due will be dismissed from the AEM (Intermediate) Training Program without further notice.

D4.7.6.3 A trainee who has their medical registration terminated or cancelled by a regulatory body empowered to do so, or whose registration is subject to any condition or undertaking that prevents them from practicing medicine shall automatically be removed from the AEM (Intermediate) Training Program. Any removal from the AEM (Intermediate) Training Program pursuant to this regulation shall not be subject to reconsideration, review or appeal under College processes.

D4.7.6.4 At least 28 days prior to the meeting of the EMCD Committee at which a trainee is to be considered for removal from the AEM (Intermediate) Training Program, they will be informed in writing and advised:

- of the ground(s) on which they may be removed from the training program;
- the date on which their removal from the training program is to be considered;
- that they are entitled to provide a written submission for consideration of any exceptional circumstances (as described in the College's *Exceptional Circumstances and Special Consideration Policy*), but that they are not entitled to attend in person or through a representative;
- that any information they wish to have considered by the EMCD Committee should be provided in writing to the College not less than 14 days prior to the meeting at which their removal from the training program is to be considered.

D4.7.6.5 The EMCD Committee may make one of the following decisions:

- (a) That, on the basis of the materials presented to it, the trainee be permitted to remain in the AEM (Intermediate) Training Program and the revised timeframe in which they are required to complete the requirements of this pathway.
- (b) That, on the basis of the materials presented to it, the trainee be removed from the AEM (Intermediate) Training Program.

D4.7.7 Suspension from Training

D4.7.7.1 Unless the Board or Council of Education, in their absolute discretion, resolve otherwise, a trainee whose medical registration is suspended for any reason, or has conditions applied that restricts their ability to undertake fully the requirements of the AEM (Intermediate) Training Program, or who fail, for whatever reason, to maintain registration with the MBA, MCNZ or other relevant regulatory body as applicable, shall automatically be suspended from the AEM (Intermediate) Training Program, and shall not:

- (a) be entitled to undertake any assessment associated with the training program;
- (b) be entitled to accrue or be credited with any training undertaken during the period of suspension from the training program;
- (c) hold themselves to be a trainee of the AEM (Intermediate) Training Program; or
- (d) be entitled to any benefits or entitlements under the AEM (Intermediate) Training Program.

D4.7.7.2 Pursuant to the provisions of Regulation D6 and upon an application by the trainee, the Board, Council of Education or a Committee convened for such purpose may determine to lift a trainee's suspension from the AEM (Intermediate) Training Program with or without the payment of a further fee and subject to any conditions imposed by the Board, Council of Education or Committee, as applicable.

D4.7.7.3 The length of any suspension pursuant to this regulation shall not affect the timeframes for completion of the AEM (Intermediate) Training Program as outlined elsewhere in these regulations and that period of suspension shall not, unless the Board, Council of Education or Committee determines otherwise, be considered as an interruption to training.

D4.8 Online Learning Modules

D4.8.1 Trainees are required to complete the following online learning modules:

- the ACEM Indigenous Health and Cultural Competency: online learning modules as from time to time updated by the College

D4.9 Workplace-Based Assessments

D4.9.1 Trainees are required to satisfactorily complete the following Workplace-based Assessments (WBAs):

- five (5) Mini-Clinical Evaluation Exercise (Mini-CEX)*;
- five (5) Direct Observation of Procedural Skills (DOPS)#;
- two (2) Case-Based Discussion (CBD)⁺; and
- Procedural Checklist[^].

* Refer Mini-CEX requirements as set out in Associateship in Intermediate Emergency Medicine Curricula

Refer DOPS requirements as set out in Associateship in Intermediate Emergency Medicine Curricula

+ Refer CBD requirements as set out in Associateship in Intermediate Emergency Medicine Curricula

^ Refer Procedural Checklist as set out in Associateship in Intermediate Emergency Medicine Curricula

D4.9.2 Mini-CEX and CbD WBAs must be assessed by a FACEM, the Primary Supervisor or a Direct Clinical Supervisor

D4.9.3 DOPS must be assessed by a FACEM, the Primary Supervisor, a Direct Clinical Supervisor or a registered specialist medical practitioner whose area of specialty relates to the applicable area of clinical practice. In the case of the latter, the trainee's Primary Supervisor must approve the completed assessment

- D4.9.4 Individual procedures on the Procedural Checklist must be signed-off by a FACEM, the Primary Supervisor, a Direct Clinical Supervisor or a registered specialist medical practitioner whose area of specialty relates to the applicable area of clinical practice. The Primary Supervisor must approve the completed procedural checklist.
- D4.9.5 Start of Placement Meeting, Reflection Meetings and CbD may be completed by real-time video conference with patient consent, assurance of confidentiality, and at the discretion of the supervisor.

D4.10 Emergency Skills Workshops

- D4.10.1 Trainees are required to satisfactorily complete and attain certification in the two (2) following workshops or equivalent, as determined by ACEM, for trainees based in Aotearoa New Zealand or outside Australasia, or attain exemption from this requirement:
- (a) Advanced Paediatric Life Support (APLS); and
 - (b) Early Management of Severe Trauma (EMST) or Emergency Trauma Management (ETM);
- D4.10.2 Workshop Exemption
- D4.10.2.1 Trainees seeking an exemption under Regulation D4.10.1 must provide documented evidence confirming their attendance and completion of the applicable workshop(s).
- D4.10.2.2 An exemption will only be granted if the workshop(s) certification, as evidenced on the certificate of completion, is current or, where no period is specified, if the workshop(s) was completed in the five (5) years prior to commencing the AEM (Intermediate) Training Program.
- D4.10.3 Trainees must present original certificates, including those received by electronic correspondence, as evidence of workshop completion, to the College.

D4.11 Required Meetings

- D4.11.1 Trainees are required to complete a *Start of Placement Meeting* with their Primary Supervisor and submit the required form to the College within the first two (2) weeks of each individual placement to ascertain learning needs, goals, potential challenges and strategies.
- D4.11.2 Trainees are required to complete a *Reflection Meeting* with their Primary Supervisor and submit the required form to the College at the end of each three-calendar month period while undertaking supervised training.
- D4.11.3 Where a trainee fails to submit the relevant form(s) by the required deadline(s) the relevant placement may not be certified towards meeting their training time requirements.

D4.12 AEM (Intermediate) Examination

D4.12.1 Eligibility

- D4.12.1.1 To be eligible to sit the AEM (Intermediate) Examination, trainees must have successfully completed:
- (a) a minimum of four (4) FTE months of supervised ED training pursuant to regulation D4.7.1.1 and,
 - (b) for trainees entering the program pursuant to regulation D4.1.2.2, the EMC examination and completion of six (6) FTE months of supervised ED training outlined in regulation D3.7.1.1.
- D4.12.1.2 The candidate must also:
- (a) be a registered AEM (Intermediate) or AEM (Advanced) trainee of the College; and
 - (b) have no financial debts to the College.
- D4.12.1.3 Subject to continuing to meet all eligibility requirements, candidates who are unsuccessful in an attempt at the AEM (Intermediate) Examination are able to apply to sit the next scheduled examination.

D4.12.2 Examination Applications

Regulation D

Australasian College for Emergency Medicine

D3.12.2.1 Applications to attempt the AEM (Intermediate) Examination must be made on the appropriate prescribed form and must be accompanied by:

- (a) payment of the prescribed examination fee, if applicable, and
- (b) any other documentation specified on the application form.

D3.12.2.2 Candidates are required to submit a new application for each attempt they make at the AEM (Intermediate) Examination.

D3.12.2.3 Applications must reach the College by close of business on the date specified on the application form for the relevant examination. If the closing date falls on a public holiday, applications must reach the College by close of business on the previous work day.

D4.12.3 Examination Arrangements

D4.12.3.1 The AEM (Intermediate) Examination is held two (2) times per year on dates specified by the College and must be sat at the candidate's training hospital under supervision arrangements approved by the College.

D4.12.3.2 The College reserves the right to approve or reject any proposed invigilator(s) for candidates in the examination.

D4.12.4 Examination Attempts

D4.12.4.1 The maximum number of attempts at the AEM (Intermediate) Examination will be three (3).

D4.12.5 Withdrawal

D4.12.5.1 Candidates withdrawing from the AEM (Intermediate) Examination must notify the College in writing on the prescribed form. Verbal notification will not be accepted.

D4.12.6 Exclusion from Examinations

D4.12.6.1 Candidates who login 30 minutes or more after the scheduled starting time of the EMD Examination will be excluded from the examination.

D4.13 Certification and Admission Fee

D4.13.1 To be eligible to apply for certification as an Associate (Intermediate) of the College, trainees must have satisfactorily completed the requirements of Regulation D4.5.

D4.13.2 It is the responsibility of the trainee to submit an application for admission as an Associate to the College.

D4.13.3 An application for admission as an Associate must be made using the appropriate form, together with payment of the required fee. Applications for admission as an Associate will not be progressed until the application fee has been processed.

D4.13.4 Following approval by the Council of Education, the trainee will then be listed on the Register of Associates.

D4.14 Recertification and Annual Subscription Fees

Refer to Regulation E2.

D5 Associateship in Advanced Emergency Medicine (AEM (Advanced)) Training Program

D5.1 Eligibility for the Associateship in Advanced Emergency Medicine Training Program

Note regarding eligibility for enrolment in the AEM (Advanced) Training Program and associated program completion requirements.

*Eligibility for enrolment in the AEM (Advanced) Training Program is through meeting fully one of the conditions outlined in Regulations 5.1.3 to 5.1.6 below. Potential trainees are advised that the requirements for completion of the AEM (Advanced) Training Program (including maximum allowable timeframes for completion of the program) differ for trainees entering under each of the different regulations. These requirements are outlined in Regulations D5.5 and D5.6 and potential trainees are **strongly** advised to consider these regulations in conjunction with the eligibility requirements outlined in these regulations D5.1.*

- D5.1.1 To be eligible to enrol as a trainee in the ACEM AEM (Advanced) Training Program, medical practitioners must hold appropriate registration with the relevant regulatory body as applicable for the jurisdiction in which they are intending to train.

D5.1.6.1 Medical practitioners applying under D5.1.6 must also provide evidence of a current Advanced Life Support 2 (ALS2) certificate or equivalent for trainees based in Aotearoa New Zealand.

D5.1.7 Be in their third or subsequent postgraduate year and not meet the requirements outlined in any of D5.1.3 to D5.1.6.

D5.2 Enrolment as a Trainee

D5.2.1 Applications to enrol in the AEM (Advanced) Training Program must be made using the prescribed application form and include all required documentation as specified on that form, together with payment of the applicable fee.

D5.2.2 Former EMAD or AEM (Advanced) trainees of the College who wish to re-enrol as a trainee in the AEM (Advanced) Training Program must do so pursuant to the provisions of the *Policy on Former EMC, EMD, EMAD and AEM Trainees Re-entering the Associateship Training Programs*.

D5.2.3 To be eligible to commence the AEM (Advanced), medical practitioners must not be enrolled in the FACEM Training Program, EMC Training Program, AEM (Intermediate) Training Program, or Associateship in Pre-hospital and Retrieval Medicine (A(PHRM)) Training Program or be an ACEM SIMG undertaking a pathway to Fellowship of the College through the processes of the Medical Board of Australia (MBA) or the Medical Council of New Zealand (MCNZ).

D5.3 Medical Registration

- D5.3.1 Except as specified elsewhere in these Regulations, at the time of enrolment and at all times while undertaking the AEM (Advanced) Training Program, trainees are required to hold:
- (a) General or specialist-only registration with the MBA – for trainees in Australia;
 - (b) General scope registration with the MCNZ – for trainees in New Zealand; or
 - (c) the appropriate registration with the relevant regulatory body as applicable for the jurisdiction in which they will be undertaking the AEM (Advanced) Training Program.

D5.3.2 Applicants that hold specialist-only registration must provide the College with a copy of an offer of employment for their first supervised training placement in an Adult or Mixed Emergency Department at the time of enrolment in the AEM (Advanced) Training Program.

D5.3.3 Trainees enrolled in the AEM (Advanced) Training Program and who undertake a temporary absence from medical practice (e.g. maternity or parental leave) may, for the purposes of Regulation D5.3.1, hold non-practising registration with the MBA or the MCNZ as applicable for the duration of that absence from medical practice.

Corresponding exceptions to the need to hold appropriate registration with the relevant regulatory authority pursuant to Regulation D5.3.1 apply to those undertaking AEM (Advanced) training in countries other than Australia or New Zealand and who undertake a temporary absence from medical practice.

D5.3.4 Trainees are required to notify the College within five (5) working days if their medical registration with the MBA, MCNZ or other authority as applicable expires; or within five (5) working days of the date of notification if, for any reason, their medical registration is withdrawn, suspended or conditions are imposed, or if they receive notice of any complaint to any medical registration authority.

D5.3.5 Trainees who, for whatever reason, fail to maintain registration with the MBA or the MCNZ as applicable pursuant to this Regulation D5.3 and whose registration is not otherwise suspended, terminated, cancelled or has a condition(s) applied that restricts their ability to undertake fully the requirements of the AEM (Advanced) Training Program, by a regulatory body empowered to do so, shall be unable to attempt College assessments or have any training time certified for a maximum period of three (3) calendar months from the date on which their registration lapsed. Should registration with the MBA or MCNZ not be regained by the end of that three (3) month period, the trainee will be automatically removed from the AEM (Advanced) Training Program.

D5.4 Training Program Fees

D5.4.1 Except with the prior approval of the College, AEM (Advanced) Training Program trainees, regardless of whether training full-time or part-time, must pay the full AEM (Advanced) Training Program fee at the time of enrolling in the program.

D5.4.2 AEM (Advanced) trainees may apply to the College to pay the AEM (Advanced) Training Program fee by instalments.

D5.4.3 AEM (Advanced) trainees will not be eligible to attempt College assessments and will not have their training time considered for certification nor be deemed to have completed the requirements of the AEM (Advanced) program while the training program fee or any other amounts owing to the College remain unpaid.

D5.5 Satisfactory Completion of the AEM (Advanced) Training Program

D5.5.1 Except as specified elsewhere in these Regulations, trainees who successfully complete the AEM (Advanced) Training Program will have satisfactorily completed the following requirements:

D5.5.1.1 all requirements as outlined in Regulation D3.5.1, unless entering the program pursuant to Regulation D5.1.3 **or** Regulation D5.1.4, D5.1.5 **or** D5.1.6; and

D5.5.1.2 all requirements as outlined in regulation D4.5.1, unless entering the program pursuant to regulation D5.1.3 **or** Regulation D5.1.4; and

Regulation D

Australasian College for Emergency Medicine

- D5.5.1.3 six (6) FTE months of supervised training in an Emergency Department, including at least eight (8) weeks FTE working at a multi-FACEM (i.e. not less than 2.5 FTE FACEM) site where at least one (1) FACEM meets the requirements to be a Primary Supervisor as outlined in D5.7.4.1;
- D5.5.1.4 online learning modules and associated completion requirements as prescribed (refer Regulation D5.8);
- D5.5.1.5 Workplace-based Assessments as prescribed (refer Regulation D5.9);
- D5.5.1.6 certification in prescribed workshops (refer Regulation D5.10);
- D5.5.1.7 meetings and associated completion requirements as prescribed (refer Regulation D5.11);
- D5.5.1.8 the AEM (Advanced) Examination;
- D5.5.1.9 the completion of the EMCD Graduate Survey (Part One); and
- D5.5.1.10 any other requirements or variations of the above as prescribed from time to time.

D5.6 Timeframe for Completion of the AEM (Advanced) Training Program

- D5.6.1 Enrolment as a trainee commences in accordance with Regulation D5.2 and continues until the trainee satisfactorily completes the requirements of the AEM (Advanced) and is eligible to become an Associate (Advanced), formally withdraws from the AEM (Advanced) Training Program or is removed from the AEM (Advanced) Training Program.
- D5.6.2 Except as provided for elsewhere in these Regulations, trainees entering the AEM (Advanced) Training Program pursuant to D5.1.3 **or** Regulation D5.1.4 must complete all requirements of the program and be eligible for election to membership of the College as an Associate (Advanced) within two (2) calendar years of the date of enrolment as a trainee. This two (2) year period is inclusive of all leave taken and any periods of interrupted training.
- D5.6.3 Except as provided for elsewhere in these Regulations, trainees entering the AEM (Advanced) Training Program pursuant to Regulation D5.1.5 **or** Regulation D5.1.6 must complete all requirements of the program and be eligible for election to membership of the College as an Associate (Advanced) within four (4) calendar years of the date of enrolment as a trainee. This four (4)-year period is inclusive of all leave taken and any periods of interrupted training.
- D5.6.4 Except as provided for elsewhere in these Regulations, trainees entering the AEM (Advanced) Training Program pursuant to regulation D5.1.6 must complete all requirements of the program and be eligible for election to membership of the College as an Associate (Advanced) within six (6) calendar years of the date of enrolment as a trainee. This six (6)-year period is inclusive of all leave taken and any periods of interrupted training.

D5.7 AEM (Advanced) Training

D5.7.1 Training Time Requirements

- D5.7.1.1 Trainees must complete six (6) FTE months of supervised training in an Adult or Mixed Emergency Department(s).
- D5.7.1.2 For the purposes of Regulation D5.7.1.1 ACEM regards a 1.0 FTE load to comprise a minimum of 38 hours per week.
- D5.7.1.3 Cognisant of Regulation D5.6, training may be undertaken on either a full-time or a part-time basis, as the trainee may choose. Any changes to a trainee's FTE status must be notified to the College.
- D5.7.1.4 Training may be undertaken in blocks of not less than six (6) FTE weeks. Trainees who complete the required months of training in blocks of training must also remain within the maximum limits allowed for completion of all requirements of the AEM (Advanced) Training Program.
- D5.7.1.5 To be eligible to have a placement certified, trainees must satisfactorily complete at least 80% of their time in that placement in an Adult or Mixed Emergency Department(s) with the remaining

Regulation D

Australasian College for Emergency Medicine

20% permitted to be spent in approved theatre, intensive care unit or anaesthetics setting(s) or other discipline related to Emergency Department(s) to the satisfaction of the EMCA Committee, including but not limited to a Paediatric or Eye and Ear Emergency Department.

D5.7.1.6 Trainees must complete at least eight (8) FTE weeks of supervised training in an Emergency Department at a multi-FACEM site (i.e. not less than 2.5 FTE FACEM) where at least one (1) FACEM meets the requirements to be a Primary Supervisor as outlined in D5.7.4.1.

D5.7.2 Part-Time Training

D5.7.2.1 Part-time training must meet minimum placement duration requirements and be undertaken at a minimum of 0.5 FTE. Part-time training of less than 0.5 FTE will not be considered for certification.

D5.7.2.2 Trainees who train part-time must also remain within the maximum limits allowed for completion of all requirements of the AEM (Advanced) Training Program as a whole and as applicable to their circumstances.

D5.7.3 Leave from Training

D5.7.3.1 (a) Trainees training full-time are permitted up to three (3) weeks' leave per six (6) FTE month training period.

(b) Trainees may take additional period(s) of leave from training over that outlined in Regulation D5.7.3.1(a) where that leave is for the purpose of parental leave.

D5.7.3.2 Where the length of any individual placement meets minimum training requirements, trainees training part-time have pro-rata leave entitlements.

D5.7.3.3 Periods of leave greater than that permitted under Regulation D5.7.3.1(a) require the prospective approval of the College. Any such application must be submitted using the applicable form and received by the College not less than two (2) weeks prior to the date of commencement of the proposed period of leave.

D5.7.3.4 Trainees who seek to take leave from training for the purposes of parental leave are required to provide documentation to the satisfaction of the College that clearly sets out the dates of their parental leave and will have their training program due date extended by the duration of the parental leave taken.

D5.7.4 Supervision of Training

D5.7.4.1 Each trainee shall have a 'Primary Supervisor' who is responsible for the oversight of that trainee's progression through the AEM (Advanced) Training Program. The Primary Supervisor must be a Fellow of the Australasian College of Emergency Medicine (FACEM) who is working at a minimum of 0.5 FTE in the emergency department in the same health service and, where applicable, site as the trainee, who is compliant with the requirements of the ACEM CPD Program and has satisfactorily completed the ACEM EMCD Supervisor Course or have attended an ACEM DENT or Local WBA Coordinator Orientation or FACEM Assessor Workshop.

D5.7.4.2 Not less than 30 per cent of a trainee's AEM (Advanced) training must occur under the direct clinical supervision of an ACEM Member who may or may not be the trainees Primary Supervisor. A Direct Clinical Supervisor must be:

- a FACEM or
- an Associate (Advanced) or Advanced Diplomate member who has satisfactorily completed the ACEM EMCD Supervisor Course.

D5.7.5 Training Sites

D5.7.5.1 AEM (Advanced) training may be undertaken in an emergency department with at least one (1) Fellow of the College (i.e. FACEM), who works 1.0 FTE in the department, or the equivalent, where at least one (1) FACEM meets the requirements to be a Primary Supervisor as outlined in D5.7.4.1.

D5.7.6 Removal from the AEM (Advanced) Training Program

D5.7.6.1 Unless the Emergency Medicine Certificate and Emergency Medicine Diploma (EMCD) Committee accepts that exceptional circumstances exist, a trainee shall be considered for removal from the AEM (Advanced) Training Program if they:

- (a) fail to complete the requirements of the AEM (Advanced) Training Program within the timeframe specified in these Regulations or their circumstances in the training program become such that they reach a point where it is not possible under these regulations for the requirements to be completed within the specified timeframe;
- (b) do not pass the AEM (Advanced) Examination within the maximum three (3) attempts;
- (b) fail to pay all applicable fees by the date on which they are due and/or any associated late payment fees or portions thereof remain outstanding within three (3) months of the date on which the original fee was due;
- (c) fail to maintain medical registration in Australia or New Zealand in accordance with Regulation D5.3;
- (d) engage in conduct contrary or derogatory to or inconsistent with the principles, ethics, dignity, standards or purposes of the College, in which case the matter shall be dealt with by the Board.

D5.7.6.2 A trainee who fails to pay any applicable fee(s) by the date on which they are due and/or any associated late payment fees or portions thereof remain outstanding within three (3) months of the date on which the original fee was due will be dismissed from the AEM (Advanced) Training Program without further notice.

D5.7.6.3 A trainee who has their medical registration terminated or cancelled by a regulatory body empowered to do so, or whose registration is subject to any condition or undertaking that prevents them from practicing medicine shall automatically be removed from the AEM (Advanced) Training Program. Any removal from the AEM (Advanced) Training Program pursuant to this regulation shall not be subject to reconsideration, review or appeal under College processes.

D5.7.6.4 At least 28 days prior to the meeting of the EMCD Committee at which a trainee is to be considered for removal from the AEM (Advanced) Training Program, they will be informed in writing and advised:

- of the ground(s) on which they may be removed from the AEM (Advanced) Training Program;
- the date on which their removal from the AEM (Advanced) Training Program is to be considered;
- that they are entitled to provide a written submission for consideration of any exceptional circumstances (as described in the College's *Exceptional Circumstances and Special Consideration Policy*), but that they are not entitled to attend in person or through a representative;
- that any information they wish to have considered by the EMCD Committee should be provided in writing to the College not less than 14 days prior to the meeting at which their removal from the AEM (Advanced) Training Program is to be considered.

D5.7.6.5 The EMCD Committee may make one of the following decisions:

- (a) That, on the basis of the materials presented to it, the trainee be permitted to remain in the AEM (Advanced) Training Program and the revised timeframe in which they are required to complete the requirements of this pathway.
- (b) That, on the basis of the materials presented to it, the trainee be removed from the AEM (Advanced) Training Program.

D5.7.7 Suspension from Training

D5.7.7.1 Unless the Board or Council of Education, in their absolute discretion, resolve otherwise, a trainee whose medical registration is suspended for any reason, or has conditions applied that restricts their ability to undertake fully the requirements of the AEM (Advanced) Training Program, or who fail, for whatever reason, to maintain registration with the MBA, MCNZ or other relevant regulatory body as applicable, shall automatically be suspended from the AEM (Advanced) Training Program, and shall not:

- (a) be entitled to undertake any assessment associated with the AEM (Advanced) Training Program;
- (b) be entitled to accrue or be credited with any training undertaken during the period of suspension from the AEM (Advanced) Training Program;
- (c) hold themselves to be a trainee of the AEM (Advanced) Training Program; or
- (d) be entitled to any benefits or entitlements under the AEM (Advanced) Training Program.

D5.7.7.2 Pursuant to the provisions of Regulation D6 and upon an application by the trainee, the Board, Council of Education or a Committee convened for such purpose may determine to lift a trainee's suspension from the AEM (Advanced) Training Program with or without the payment of a further fee and subject to any conditions imposed by the Board, Council of Education or Committee, as applicable.

D5.7.7.3 The length of any suspension pursuant to this regulation shall not affect the timeframes for completion of the AEM (Advanced) Training Program as outlined elsewhere in these regulations and that period of suspension shall not, unless the Board, Council of Education or Committee determines otherwise, be considered as an interruption to training.

D5.8 Online Learning Modules

D5.8.1 Trainees are required to complete the following online learning modules:

- the ACEM Indigenous Health and Cultural Competency online learning modules as from time to time updated by the College.

D5.9 Workplace-Based Assessments

D5.9.1 Trainees are required to satisfactorily complete the following Workplace-Based Assessments (WBAs):

- three (3) Mini-Clinical Evaluation Exercise (Mini-CEX)*;
- three (3) Direct Observation of Procedural Skills (DOPS)#;
- Procedural Checklist^;
- one (1) Direct Observation of Communication Skills;
- two (2) Clinical Lead Shift reports; and
- one (1) Quality Improvement Activity.

* Refer Mini-CEX requirements as set out in Associateship in Advanced Emergency Medicine Curricula

Refer DOPS requirements as set out in Associateship in Advanced Emergency Medicine Curricula

^ Refer Procedural Checklist as set out in Associateship in Advanced Emergency Medicine Curricula

D5.9.2 Mini-CEX and CbD WBAs must be assessed by a FACEM, the Primary Supervisor or a Direct Clinical Supervisor.

D5.9.3 DOPS must be assessed by a FACEM, the Primary Supervisor, a Direct Clinical Supervisor or a registered specialist medical practitioner whose area of specialty relates to the applicable area of clinical practice. In the case of the latter, the trainee's Primary Supervisor must approve the completed assessment.

D5.9.4 Individual procedures on the procedural checklist must be signed-off by a FACEM, the Primary Supervisor, a Direct Clinical Supervisor or a registered specialist medical practitioner whose area of specialty relates to the applicable area of clinical practice. The Primary Supervisor must approve the completed procedural checklist.

Regulation D

Australasian College for Emergency Medicine

- D5.9.5 Start of Placement Meeting, Reflection Meetings and CbD may be completed by real-time video conference with patient consent, assurance of confidentiality and at the discretion of the supervisor.
- D5.9.6 The Direct Observation of Communication Skills must be assessed by a FACEM, the Primary Supervisor, or a Direct Clinical Supervisor
- D5.9.7 The Clinical Lead Shift Report must be assessed by a FACEM, the Primary Supervisor, or a Direct Clinical Supervisor.
- D5.9.8 The Quality Improvement Activity can be completed in one of the following three ways:
- an Audit, which must be assessed by the trainee's Primary Supervisor; or
 - a Clinical Pathway/Guideline/Policy update or development, which must be assessed by the trainee's Primary Supervisor; or
 - a Morbidity and Mortality (M&M) Meeting Presentation, which may be assessed by a trainee's Primary Supervisor or a Direct Clinical Supervisor.

D5.10 Emergency Skills Workshops

D5.10.1 Trainees are required to satisfactorily complete and attain certification in the two (2) following workshops equivalent, as determined by ACEM, for trainees based in Aotearoa New Zealand or outside Australasia, or attain exemption from this requirement:

- (a) Ultrasound course as related to the curriculum; and
- (b) ACEM Clinical Supervisor Course.

D5.10.2 Workshop Exemption

D5.10.2.1 Trainees seeking an exemption under Regulation D5.10.1 must provide documented evidence confirming their attendance and completion of the applicable workshop(s).

D5.10.2.2 An exemption will only be granted if the workshop(s) certification, as evidenced on the certificate of completion, is current or, where no period is specified, if the workshop(s) was completed in the five (5) years prior to commencing the AEM (Advanced) Training Program.

D5.10.2.3 Trainees must present original certificates, including those received by electronic correspondence, as evidence of workshop completion, to the College

D5.11 Required Meetings

D5.11.1 Trainees are required to complete a *Start of Placement Meeting* with their Primary Supervisor and submit the required form to the College within the first two (2) weeks of each individual placement to ascertain learning needs, goals, potential challenges and strategies.

D5.11.2 Trainees are required to complete a *Reflection Meeting* with their Primary Supervisor and submit the required form to the College at the end of each three-calendar month period while undertaking their supervised training.

D5.11.3 Where a trainee fails to submit the relevant form(s) by the required deadline(s) the relevant placement may not be certified towards meeting their training time requirements.

D5.12 AEM (Advanced) Examination

D5.12.1 Eligibility

D5.12.1.1 To be eligible to sit the AEM (Advanced) Examination:

- (a) trainees entering the program pursuant to regulation D5.1.3 **or** D5.1.4 must have completed a minimum of four (4) FTE months of supervised training as per regulation D5.7.1.1.

Regulation D

Australasian College for Emergency Medicine

- (b) trainees entering the program pursuant to regulation D5.1.5 must have successfully completed:
 - the AEM (Intermediate) Examination;
 - a minimum of four (4) FTE months of supervised ED training as per regulation D5.7.1.1; and
 - six (6) FTE months of supervised training as per regulation D4.7.1.1.
- (c) trainees entering the program pursuant to regulation D5.1.6 must have successfully completed:
 - the EMC Examination;
 - the EMD Examination;
 - a minimum of four (4) FTE months of supervised ED training as per regulation D5.7.1.1; and
 - six (6) FTE months of supervised training as per regulation D4.7.1.1.
- (d) trainees entering the program pursuant to Regulation D5.1.7 must have successfully completed:
 - the EMC Examination;
 - the AEM (Intermediate) Examination;
 - a minimum of four (4) FTE months of supervised ED training as per Regulation D5.7.1.1;
 - six (6) FTE months of supervised training as per Regulation D4.7.1.1; and
 - six (6) FTE months of supervised training as per Regulation D3.7.1.1.

D5.12.1.2 The candidate must also:

- (a) be a registered AEM (Advanced) trainee of the College; and
- (b) have no financial debts to the College.

D5.12.1.3 Subject to continuing to meet all eligibility requirements, candidates who are unsuccessful in an attempt at the examination are able to apply to sit the next scheduled examination.

D5.12.2 Examination Applications

D5.12.2.1 Applications to attempt the AEM (Advanced) Examination must be made on the appropriate prescribed form and must be accompanied by:

- (a) payment of the prescribed examination fee, and
- (b) any other documentation specified on the application form.

D3.12.2.2 Candidates are required to submit a new application for each attempt they make at the AEM (Advanced) Examination.

D3.12.2.3 Applications must reach the College by close of business on the date specified on the application form for the relevant examination. If the closing date falls on a public holiday, applications must reach the College by close of business on the previous work day.

D5.12.3 Examination Arrangements

D5.12.3.1 The AEM (Advanced) Examination is held two (2) times per year on dates specified by the College and must be sat at the candidate's training hospital under supervision arrangements approved by the College.

D5.12.3.2 The College reserves the right to approve or reject any proposed invigilator(s) for candidates in the examination.

D5.12.4 Examination Attempts

D5.12.4.1 The maximum number of attempts at the AEM (Advanced) Examination will be three (3).

D5.12.5 Withdrawal

D5.12.5.1 Candidates withdrawing from the AEM (Advanced) Examination must notify the College in writing on the prescribed form. Verbal notification will not be accepted.

D5.12.6 Exclusion from Examinations

D5.12.6.1 Candidates who login 30 minutes or more after the scheduled starting time of the AEM (Advanced) Examination will be excluded from the examination.

D5.13 Certification and Admission Fee

D5.13.1 To be eligible to apply for certification as an Associate (Advanced) of the College, trainees must have satisfactorily completed the requirements of Regulation D5.5.

D5.13.2 It is the responsibility of the trainee to submit an application for admission as an Associate (Advanced) to the College.

D5.13.3 An application for admission as an Associate (Advanced) must be made using the appropriate form, together with payment of the required fee. Applications for admission as an Associate (Advanced) will not be processed until the application fee has been processed.

D5.13.4 Following approval by the Council of Education, the trainee will then be listed on the Register of Associates.

D5.14 Recertification and Annual Subscription Fees

Refer to Regulation E2.

D6 Reinstatement to the EMC or Associateship Training Programs

D6.1 Application for Reinstatement to the EMC or Associateship Training Programs

- D6.1.1 Any trainee who was suspended from a training program pursuant to Regulation D1.7.7, D2.7.7, D3.7.7, D4.7.7 or D5.7.7 as applicable, may apply to have such suspension lifted and be reinstated to the applicable training program.
- D6.1.2 Without limiting the requirements of College Regulations and policies, an applicant who has been suspended, whether automatically or by resolution of the Board and/or Council of Education as applicable, must, at the time of making an application:
- D6.1.2.1 provide the Council of Education with a written statement that:
- (a) includes a detailed account of the relevant conduct and practice of the applicant since the time of suspension of their training;
 - (b) specifies any mitigating circumstances;
 - (c) if relevant, specifies any punishment imposed by a Court or regulatory body, together with its secondary effects, in connection with the offence, event or matter to which the suspension of their training related;
 - (d) if relevant, is supported by evidence of remorse, contrition and acceptance of responsibility for the offence, event or matter to which the suspension of their training related;
 - (e) provides details of any restriction, condition or limitation affecting the applicant's medical registration in any jurisdiction;
 - (f) states why, in the applicant's opinion, the suspension should be lifted; and
 - (g) such other information as the Council of Education may require; and
- D6.1.2.2 agree in writing to pay to the College the reasonable costs and expenses of their reinstatement, including, but not limited to, the non-refundable reinstatement fee set by the Board for this purpose.

D6.2 Consideration of an Application for Reinstatement

- D6.2.1 In relation to any application for reinstatement pursuant to Regulation D6.1, the Council of Education may:
- D6.2.1.1 at its sole discretion, seek or obtain any other information, records or reports from any other person, body or institution relevant to the application; and/or
- D6.2.1.2 convene or seek to convene a meeting with the applicant.
- D6.2.2 A decision of the Council of Education (or a Committee convened by the Council for that purpose) to accept or reject an application for reinstatement to the EMC or an Associateship Training Program as applicable is not effective unless:
- (a) the applicant has been given a notice of the resolution to be considered by the Council of Education (or the Committee) and a copy of any business papers circulated regarding the resolution not less than 14 days prior to the date of the meeting. If the business papers do not contain particulars of any allegations supporting the resolution that is to be considered, a statement setting out those allegations must be given;
 - (b) the applicant has been permitted to make submissions to the meeting in writing and orally;
 - (c) the applicant is given an opportunity to respond to any matters raised in the meeting. The Council of Education (or the Committee) may ask the applicant to leave the meeting during its deliberations once submissions from all interested parties are complete; and
 - (d) notice of the decision of the Council of Education (or the Committee) is given promptly to the applicant specifying the grounds upon which the application was accepted or rejected.

Regulation D

Australasian College for Emergency Medicine

D6.2.3 In circumstances where the Council of Education (or the Committee) determines to accept an application for reappointment or reinstatement, the Council of Education (or the Committee) shall also determine the total fees payable to the College as well as the training and assessment requirements, if any, to be completed and, subject to Regulation D1.7.7.3, D2.7.7.3, D3.7.7.3, D4.7.7.3 or D5.7.7.3 as applicable, the timeframe within which they must be completed.

D6.3 Appeal

D6.3.1 Any decision of the Council of Education (or the Committee) in connection with an application for reinstatement will be final, conclusive and binding.

D6.4 Delegation

D6.4.1 The Council of Education may at its discretion direct any application for reinstatement to the Board for consideration under these regulations and any reference to the Council of Education shall instead be taken to be the ACEM Board.

D6.4.2 The Council of Education may delegate its powers, including powers under this Regulation, to deal with any application for reinstatement to other entity(ies), or members thereof, as it may determine. Other than where the powers are delegated to a Committee convened pursuant to Regulation D6.2.2 or the Board pursuant to Regulation D6.3.1 above, any decision of an entity(ies) shall be subject to ratification by the Council of Education.
