

## Navigating the path of complex emergency decisions in older adults

**Crowne Plaza, Hobart TAS**  
**Friday 3 May 2024**

**Pre-Meeting Workshops | Thursday May 2024**

An engaging and thought-provoking event we will not only provide the latest research updates but also tackle current and controversial issues in geriatric emergency medicine head on. Workshops & Plenary sessions with an incredible line up of exceptional national and international speakers coming to share their knowledge and help us all improve our ability to navigation those complex emergency decisions for older adults we care for.
