

# COVID 19

Our staff are our most valuable resource - we want to keep you and your families safe.

Here are a few steps you could take:

- Please clean your hands before you eat

- Food to be consumed ONLY in the tea room / in the garden / cafe

- Please don't take any food into the clinical areas.

# COVID 19

Our staff are our most valuable resource - we want to keep you and your families safe.

Please use these wipes to clean your badge, phone, pen and stethoscope before you go home.

Thank you for all you do!!

# COVID 19

Our staff are our most valuable resource - we want to keep you and your families safe.

Water bottles to be kept in this area ONLY please!! Please avoid having other drinks / keep cups in clinical areas.
