# Modified ACEM CPD Program

Participants working outside Australia and Aotearoa New Zealand

### Continuing Professional Development

CPD participants working outside Australia and Aotearoa New Zealand are required to complete this application form for participation in the modified ACEM CPD program.

By completing this application, I acknowledge that

- I have been working outside of Australia and Aotearoa New Zealand for at least 12-months;
- I am not currently registered to practice medicine in Australia or Aotearoa New Zealand;
- I am required to complete the modified ACEM CPD program requirements by the end of the CPD year; and
- approval of my participation with the modified ACEM CPD program requirements is for the 2024 CPD year only. I am required to reapply each subsequent year.

I acknowledge all of the above
