

DIRECT ENTRY APPLICATION FOR INTERMEDIATE EMERGENCY MEDICINE TRAINING PROGRAM (IEMTP) ENTRY PATHWAY 2

CRITERIA TO APPLY

This application for the Intermediate Emergency Medicine Training Program (IEMTP) Entry Pathway 2 is available to:

- Fellows of the Australian College of Rural and Remote Medicine (ACRRM),
- Fellows of the Royal Australian College of General Practitioners (RACGP),
- Fellows of the Royal New Zealand College of General Practitioners (RNZCGP),
- Fellows of the Division of Rural Hospital Medicine of New Zealand (DRHMNZ),
- Fellows of the Royal New Zealand College of Urgent Care (RNZCUC),

OR

- Medical practitioners who have been in active clinical experience in an Emergency Department equivalent to two years full-time equivalent (FTE) in the last five years of which at least three (3) months was undertaken in Australia or New Zealand.

To complete this application for the IEMTP Entry Pathway 2, the applicant must meet the following requirements:

1. Have safely completed **AT LEAST 24 out of 29 (80%)** of the procedures listed in the Self-Assessment Checklist including ALL of the procedures marked as mandatory. The procedures must have been completed within the previous three years and may have been completed through either clinical practice or by simulation in a relevant course.
2. The Self-Assessment Checklist must be endorsed by a FACEM or ACEM Advanced Diplomat / Associate (Advanced) with whom the applicant has worked either directly or within a network, during the preceding three years. The endorser must be reasonably satisfied that the applicant can perform the self-assessed procedures at the level of a Foundational EM training program (FEMTP) graduate.
3. Signed endorsement by a FACEM or ACEM Advanced Diplomat / Associate (Advanced) with whom they have worked in the last three years (directly or within a network), of the applicant's knowledge of the FEMTP Curriculum. The endorser must be reasonably satisfied that the applicant:
 - a) Has the basic knowledge and skills in carrying out an initial focused assessment of an undifferentiated patient.
 - b) Has the knowledge and skills to manage and treat patients with common emergency presentations.
 - c) Has the basic knowledge and skills to deliver safe patient care in a modern emergency care system.
4. Provide evidence of a current Advanced Life Support 2 (ALS2) certificate or equivalent for trainees based in New Zealand, such as the Australian Resuscitation Council accredited ALS2 workshop. Refer to the approved list on p.5 – [Approved ALS2 workshops](#).
5. Provide proof of currency of clinical practice. i.e. current CPD certificate.
6. Provide evidence of Specialist Medical Practitioner documentation (if applicable) or Emergency Department employment documentation*

DIRECT ENTRY APPLICATION FOR ADVANCED EMERGENCY MEDICINE TRAINING PROGRAM (IEMTP) ENTRY PATHWAY 2

*Medical Practitioner applicants must have a minimum of two (2) years full-time clinical experience (or comparable FTE) in an emergency department within the last five (5) years, of which at least three (3) months must have been undertaken in Australia or New Zealand.

*Evidence of this clinical experience MUST be provided with this application; for example, a term report or a letter of service on Hospital Letterhead from the relevant emergency department(s) or human resources department(s), including dates and FTE worked in emergency department(s).
