

AUSTRALASIAN COLLEGE
FOR EMERGENCY MEDICINE

HOW TO ACCESS THE ACEM EDUCATIONAL RESOURCES SITE

For Health Professionals who are not ACEM members

Health professionals who are not members of ACEM can access a selection of resources on the ACEM Educational Resources site. Please follow the instructions below for access.

Note: ACEM Fellows and Trainees should login to the Educational Resources site with their Username (ACEM Member number) and Password (ACEM web password).

1. Click <https://elearning.acem.org.au> for the ACEM Educational Resources site.
2. Click "Create new account" to set up your ACEM Educational Resources account.

3. Fill in the details on the "New account" page, including the drop-down list for health professional role. Click on "Create my new account" at the bottom of this page.

4. You will see a message on the next screen telling you that an email with instructions to complete your registration has been sent to you. If you cannot see the email, check your spam folder. Please contact [ACEM Helpdesk](#) if you do not receive the email.

5. When you have received the email, click the link within it to confirm your registration for the Educational Resources site. Once registered, you can access the resources listed below.

6. Resources available for non-ACEM Health Professionals:

- [Assessing Cultural Competency Resources](#)
- [Critical Care Airway Management Resources](#)
- [Indigenous Health and Cultural Competency Resources](#)
- [Regional, Rural and Remote Emergency Medicine](#)
- [Ultrasound](#)
- [Welcome to Working as a Medical Practitioner in Australia](#)

We hope you enjoy using these resources and we welcome your feedback. You can contact us via [email](#) or via the chat icon on the site.
