

COVID 19

To all our awesome ED staff

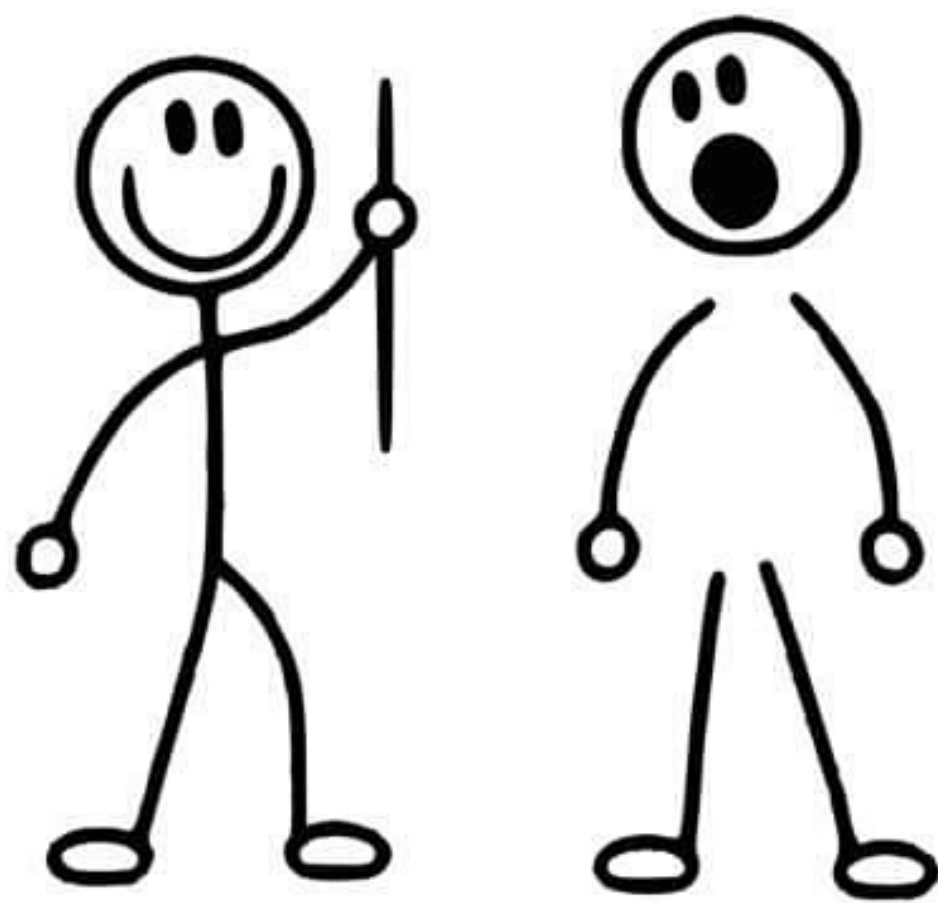

Tough times ahead BUT,
We are in this together

Together we are greater
than the
sum of our parts.

COVID 19

Its going to be tough for all
of us.

We can make it easier if we
have each others back!

don't worry...
i've got your back

COVID 19

This is a marathon not a sprint, so let's look after ourselves, our families and each other so we can do the best for them and our patients.

COVID -19 Efforts

Not a sprint
Maybe not even a
marathon
But a RELAY.

Do what you can to take
regular time out and time
away

And if you become sick or need
to be isolated, you're not
letting the team down -.
You are resting up until you can
pick up the baton again
